Product description

Constructed with impact-resistant recycled plastic and RPET lining, the 20” Rover cabin trolley stands for quality. It features a double-tube aluminium frame, 360 degree 4-wheel spinner, an integrated TSA combination lock, an easy grab handle for comfort, and interior divider organiser compartments. Can be brought as hand luggage on most mainstream airlines. This trolley is GRS certified, including the printing, making it a more responsible choice.

Available branding options

Laser engraving (size in mm) Max. 1 color Vector files only

Centered on body --	51 X 13
